

LOVE IN ACTION!

"LOVE IN ACTION!" IS CARING FOR OURSELVES

In order to minister to others "So all may know Christ's Love," we first must take action and care for ourselves. We have all felt disrupted by the events of the last two years and must find a new way forward together. It is time for us to act by ministering to each other and healing our congregation. It is time for us to reconnect and build each other up as we move forward with joyful optimism in safe ways into the future. We all know that we are greater together than we are individually. So, we begin by re-forming the interconnections that worked for us before and look to add some new twists to strengthen those things we cherished in the past.

Some of the ways we can achieve this is by re-activating and invigorating the small groups that made Advent so mighty. We can make the Advent campus shine, expand the music program, create more opportunities for social interaction, add additional special programs and speakers, create more activities for families and children, and make sure that everyone in our congregation feels included. These are just a few of the many ways we can bring our members together to create stronger bonds which nurture our spirits.

Your additional generosity in 2022 can provide funding for:

- Special musical programs
- Social activities
- Speakers and programs of interest
- Family focused activities
- Youth activities
- More one-to-one contact with members to ensure that all are well and feel connected to Advent
- Your action plan!

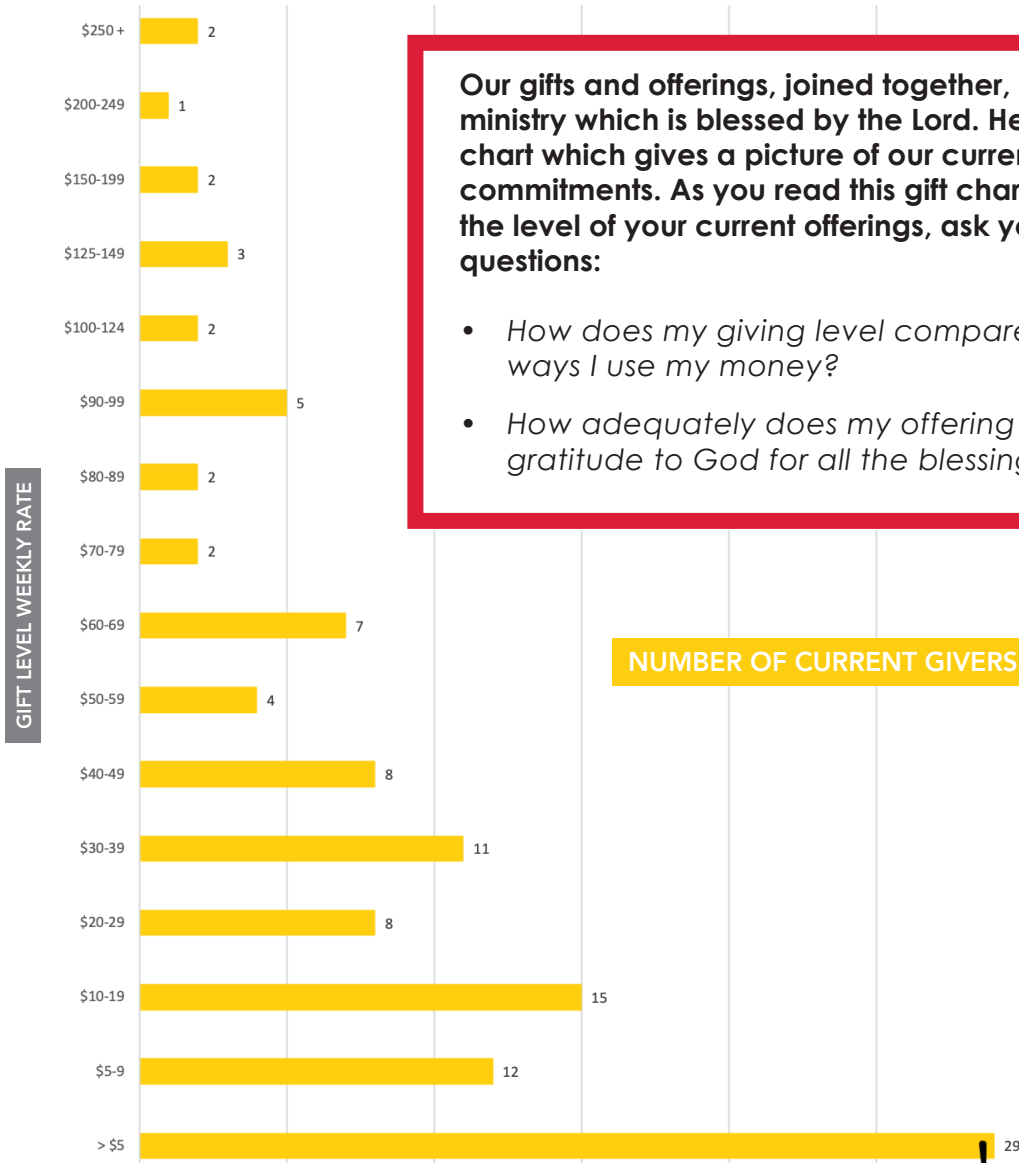

Our goal for the 2022 appeal is to increase giving by \$6,000 or more to expand several Advent ministries. Some of this increase will be used for the "Caring for Ourselves" initiative. Please pray for a thoughtful response to our "LOVE IN ACTION!" appeal on November 21st and your own grateful, Spirit-led acclamation.

Our gifts and offerings, joined together, accomplish ministry which is blessed by the Lord. Here is a chart which gives a picture of our current giving commitments. As you read this gift chart and find the level of your current offerings, ask yourself these questions:

- How does my giving level compare with other ways I use my money?
- How adequately does my offering reflect my gratitude to God for all the blessings I receive?
