

LOVE IN ACTION!

"LOVE IN ACTION!" IS REACHING OUT

Advent is in a uniquely beautiful position to reach out to our immediate neighborhood. Looking back, we have always shared our gifts with others, especially those in need. We have responded with coat drives, food baskets, school supply drives, hygiene drives, socks, mittens, hats, and so much more. Now, we can become a hub for many who will benefit from our campus location and willingness to lend a hand by doing God's and helping them grow and thrive.

Now is the time for Advent to take it up a notch by increasing our support for neighborhood organizations such as Growing Home, Hope House, Anchor House, The Women's Bean Project, Urban Servant Corps, and others that could benefit through partnership events hosted by Advent.

We also owe it to ourselves and our neighbors to bring back our summer block party, bigger and better than before.

We can improve upon what we've done well and look to what we have not done, but wish we had.

Your additional generosity in 2022 can provide funding for:

- Partnership events, promotional materials and event incidentals
- A bigger, better annual block party
- Promotional materials and distribution resources for special events such as seasonal liturgical programs, concerts, and programs like Advent Radio Players
- Promoting VBS to our neighbors
- Your action plan!

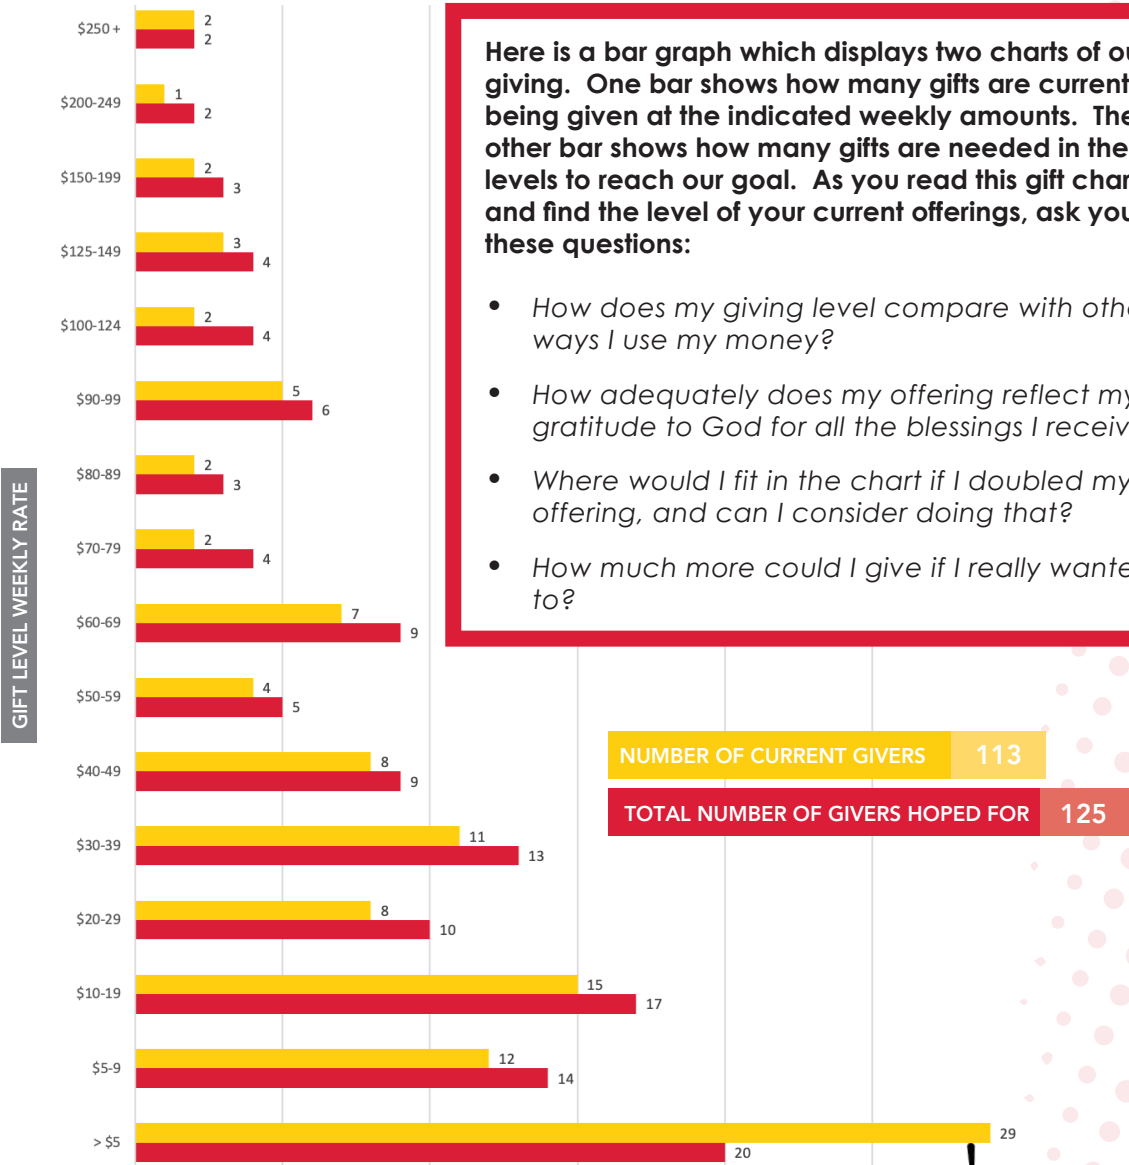

Our goal for the 2022 appeal is to increase giving by \$6,000 or more to expand several Advent ministries. Some of this increase will be used for the "Reaching Out" initiative. Please pray for your own thoughtful response to our **"LOVE IN ACTION!"** appeal on November 21st and your own grateful, Spirit-led acclamation.

**APPEAL GOAL: INCREASED PLEDGE
OFFERINGS OF \$6,000 OR MORE**

YOUR JOYOUS AND GENEROUS RESPONSE IS WELCOMED
